

Figures for BLM-Elevation

AMS

Mar 26, 2022

Figures

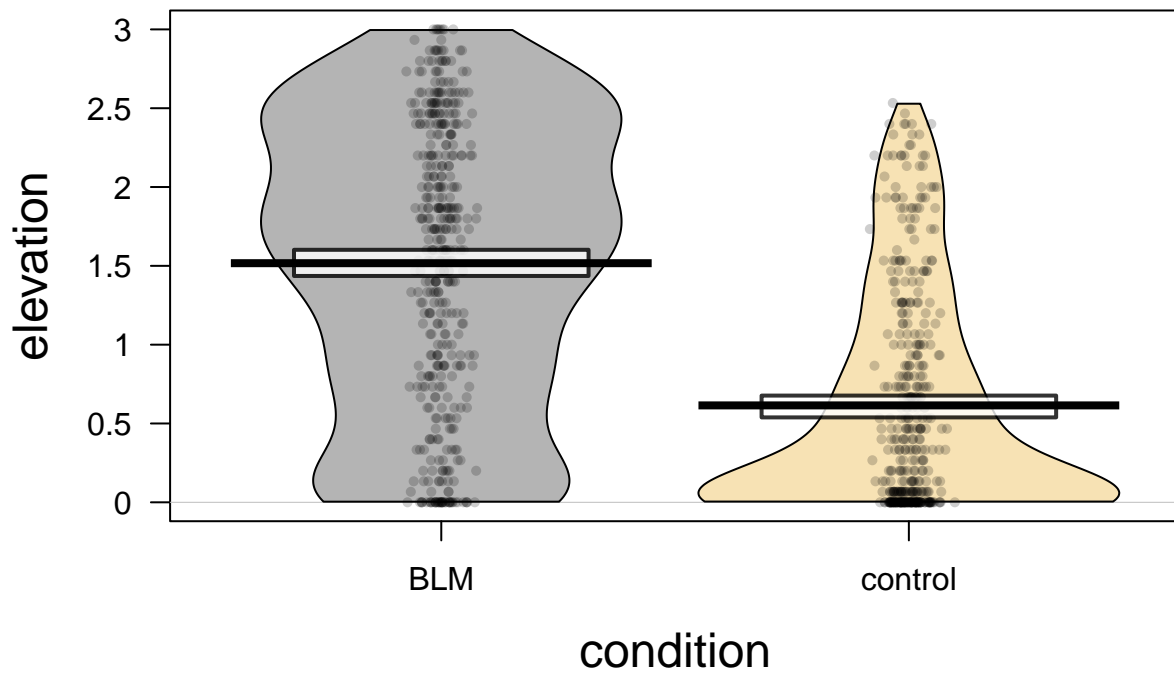

Figure 1: Main Text Figure 1, Top Panel. Elevation by Condition for Study 1.

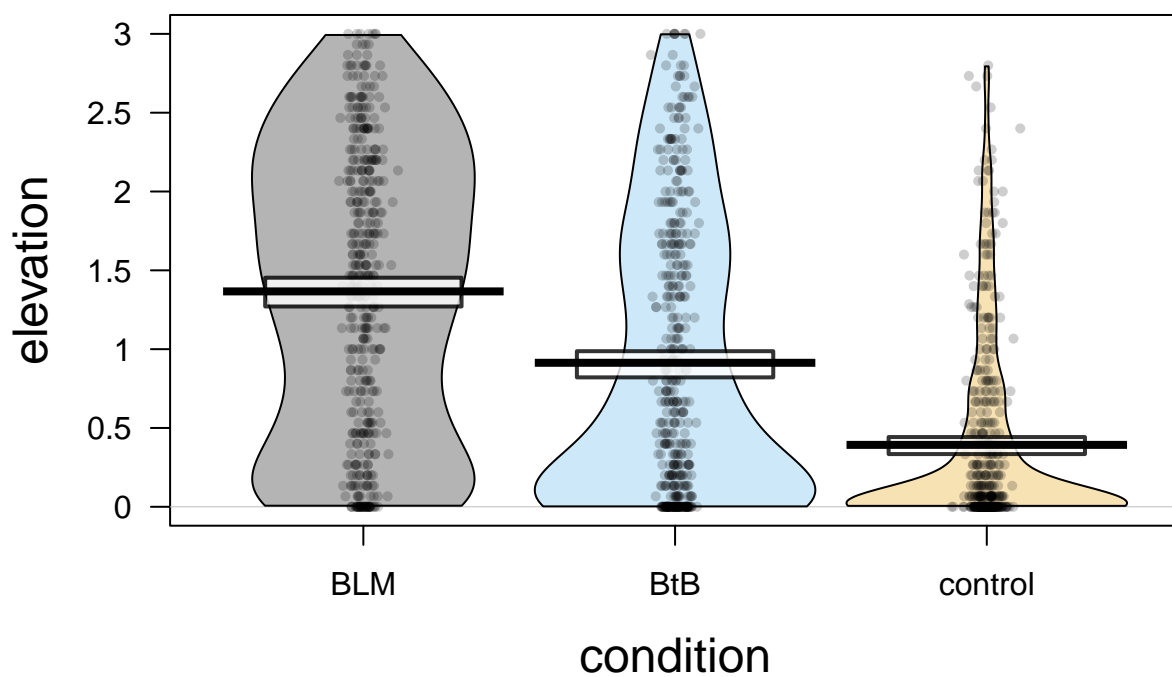

Figure 2: Main Text Figure 1, Bottom Panel. Elevation by Condition for Study 2.

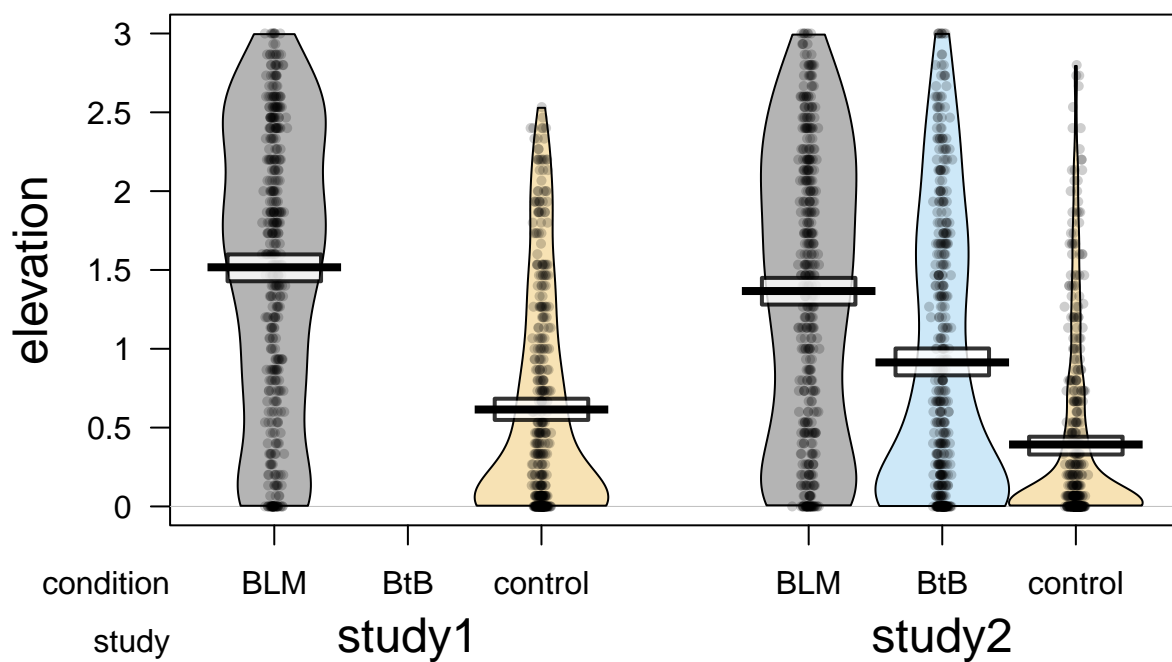

Figure 3: A different option for Fig 1

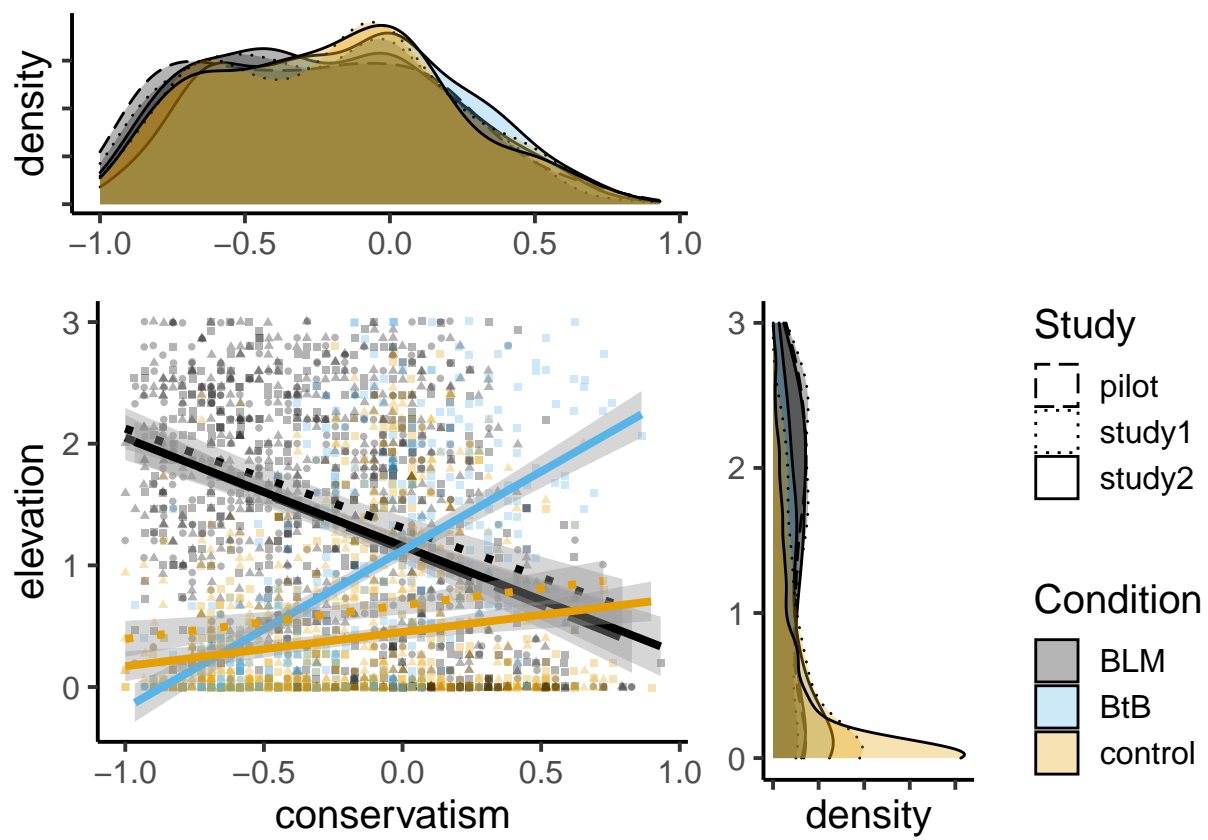

Figure 4: Main Text Figure 2

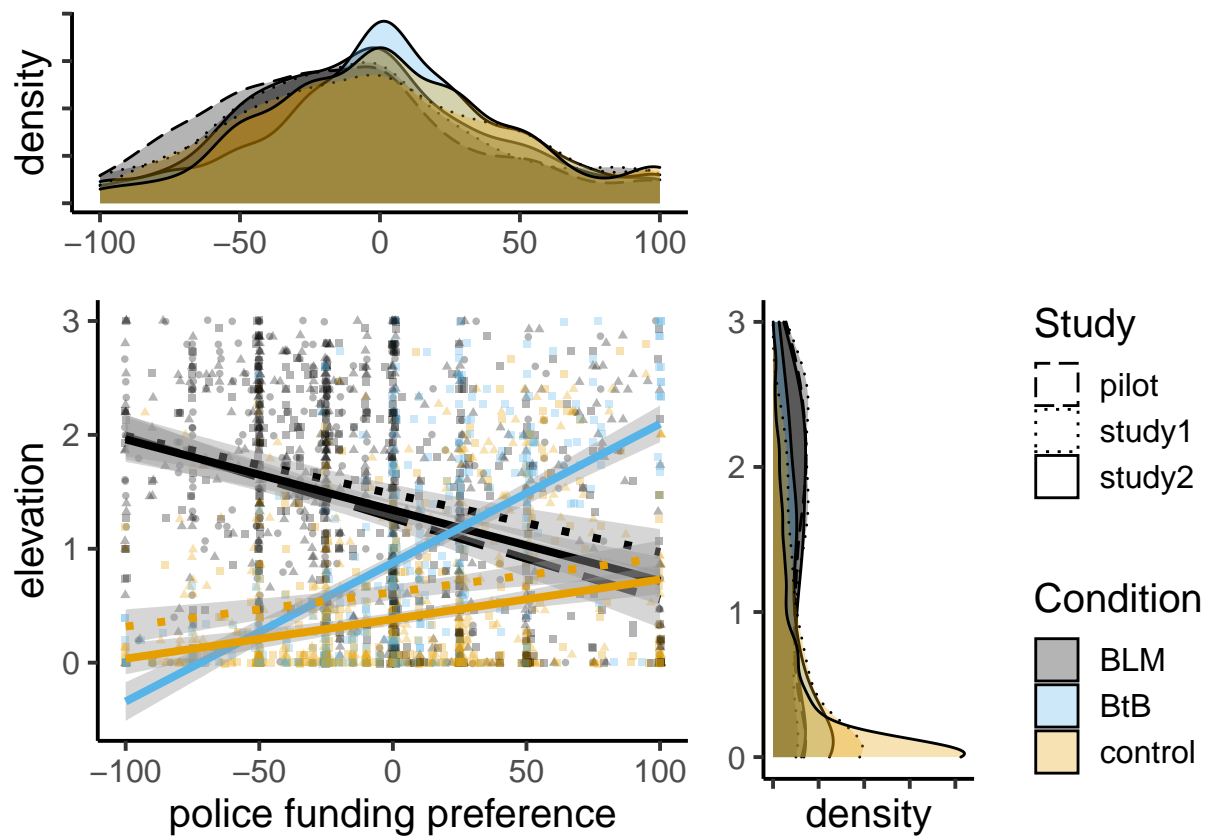

Figure 5: Main Text Figure 3.

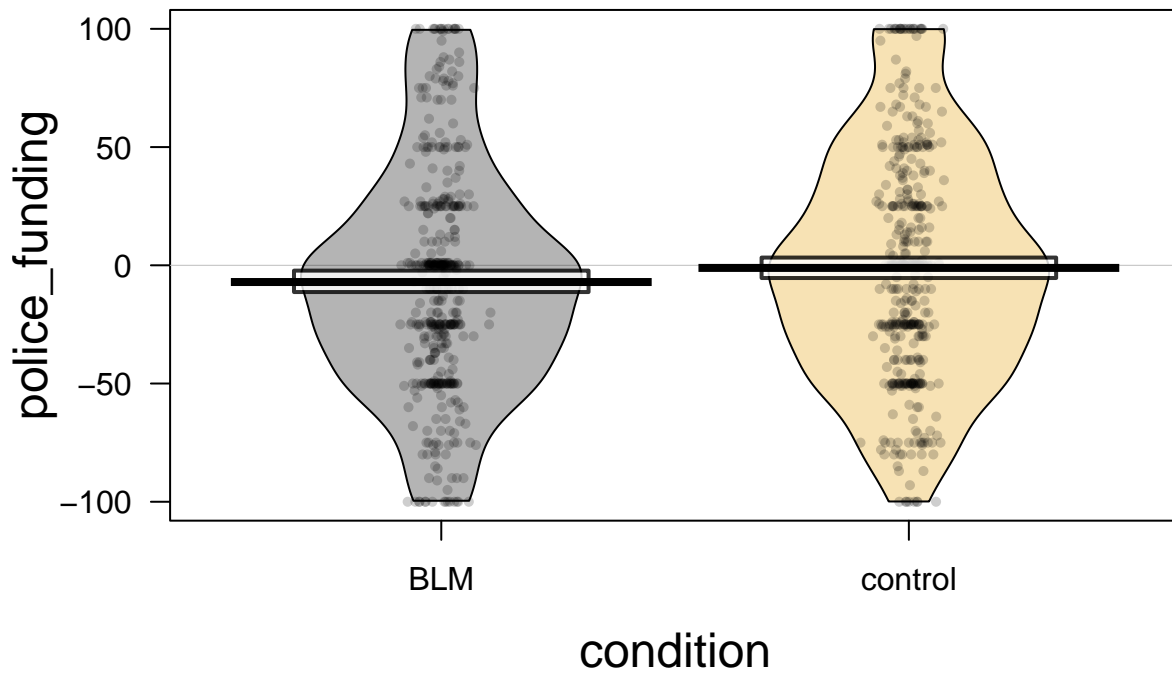

Figure 6: Supplement Fig S6 top panel for study 1

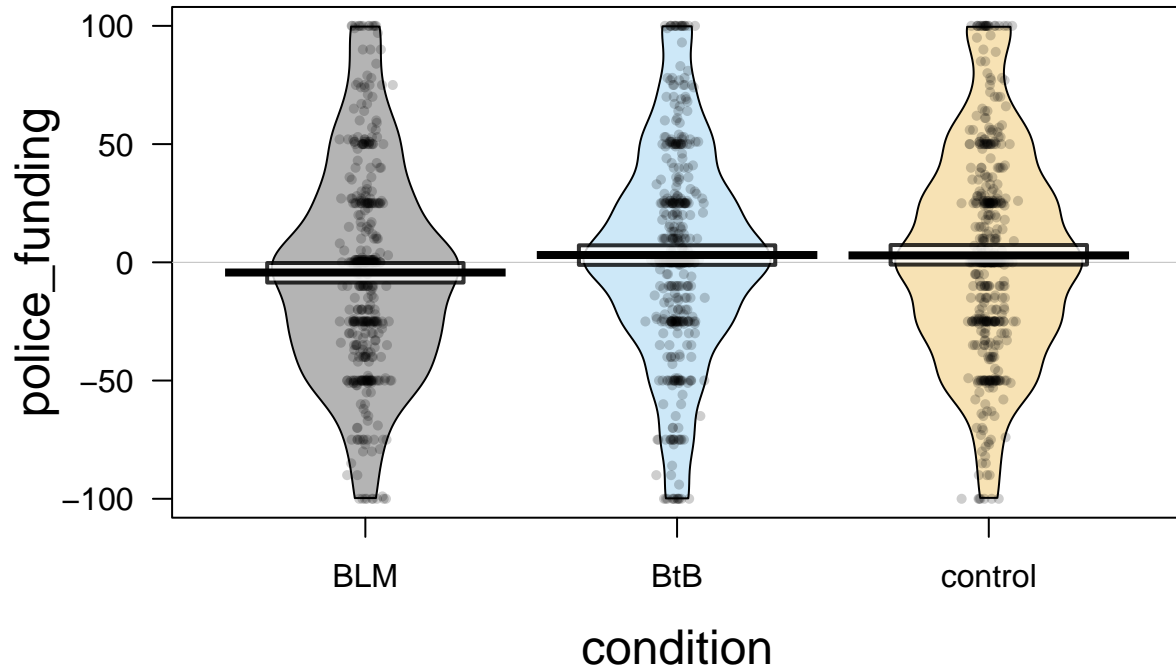

Figure 7: Supplement Fig S6 bottom panel for study 2

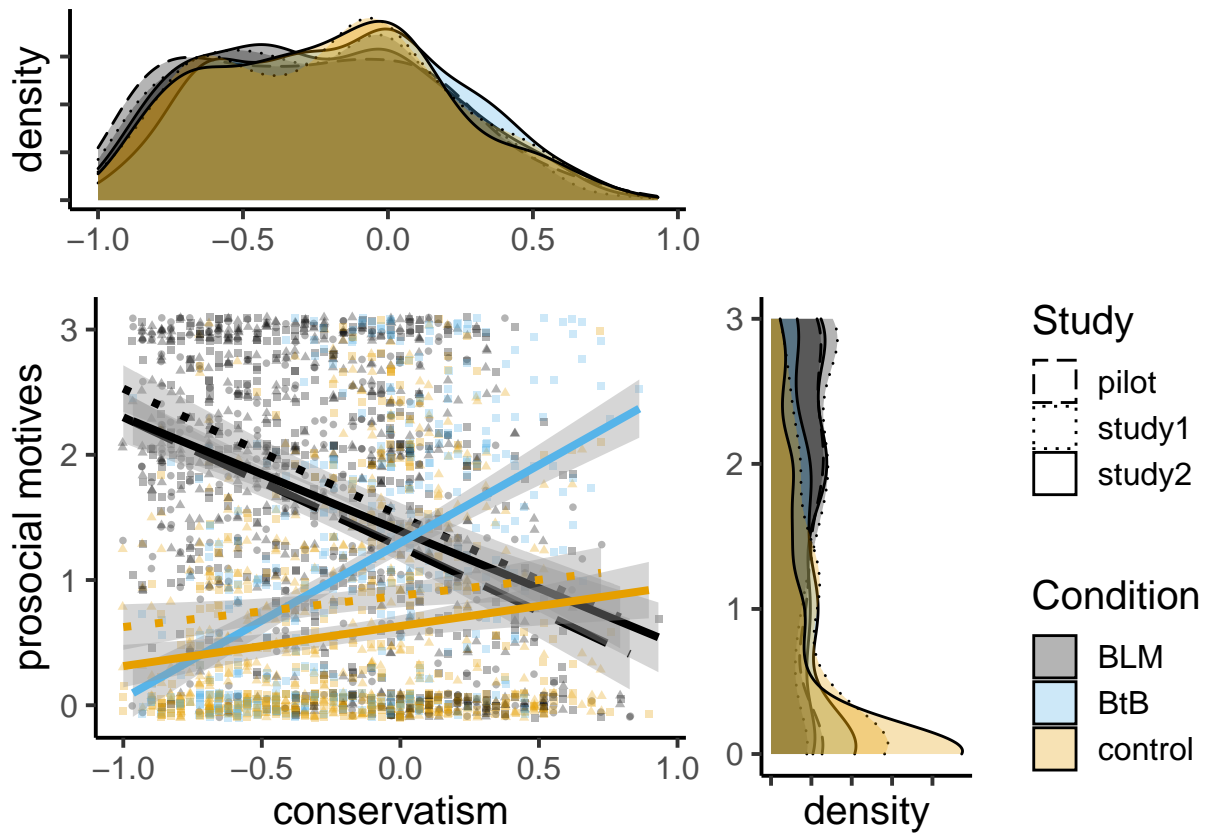

Figure 8: Supplement Figure N. Just like Main Text Figure 2, except using elevation subscale rather than the full elevation scale

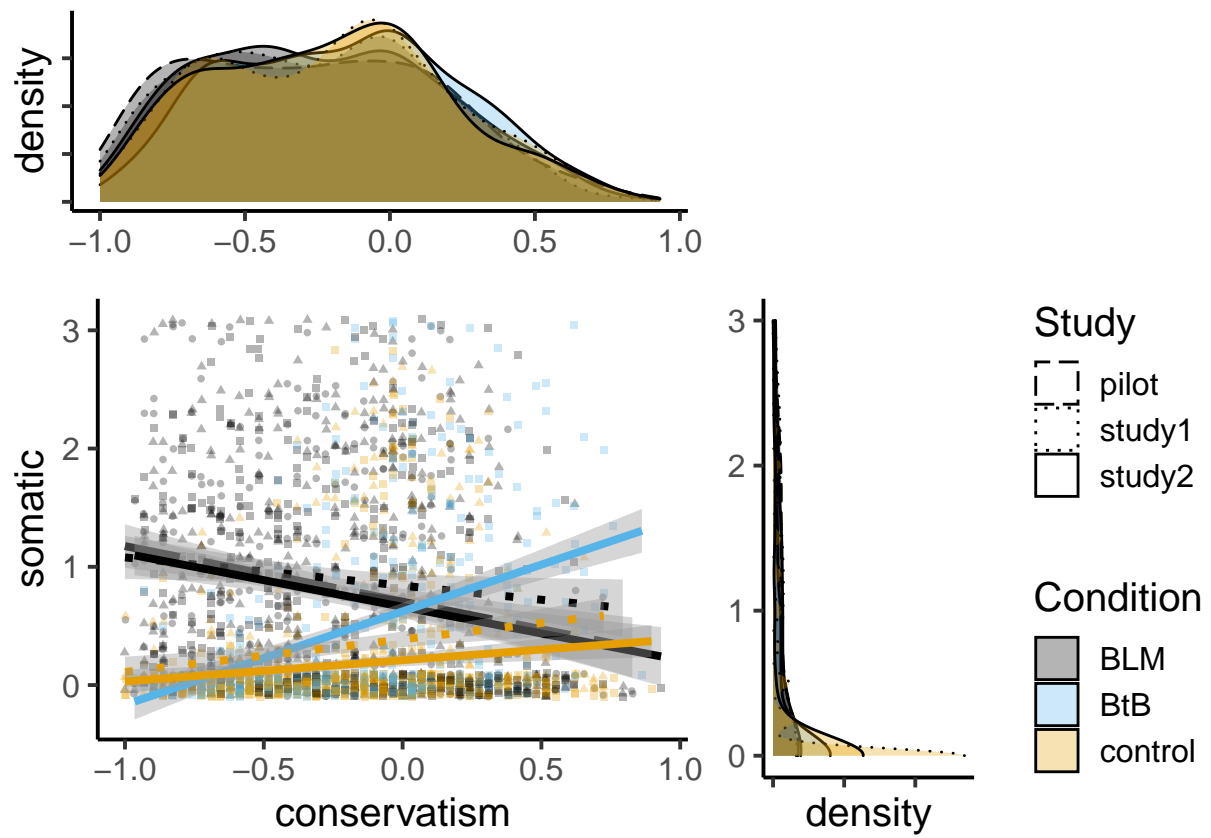

Figure 9: Supplement Figure N. Just like Main Text Figure 2, except using elevation subscale rather than the full elevation scale

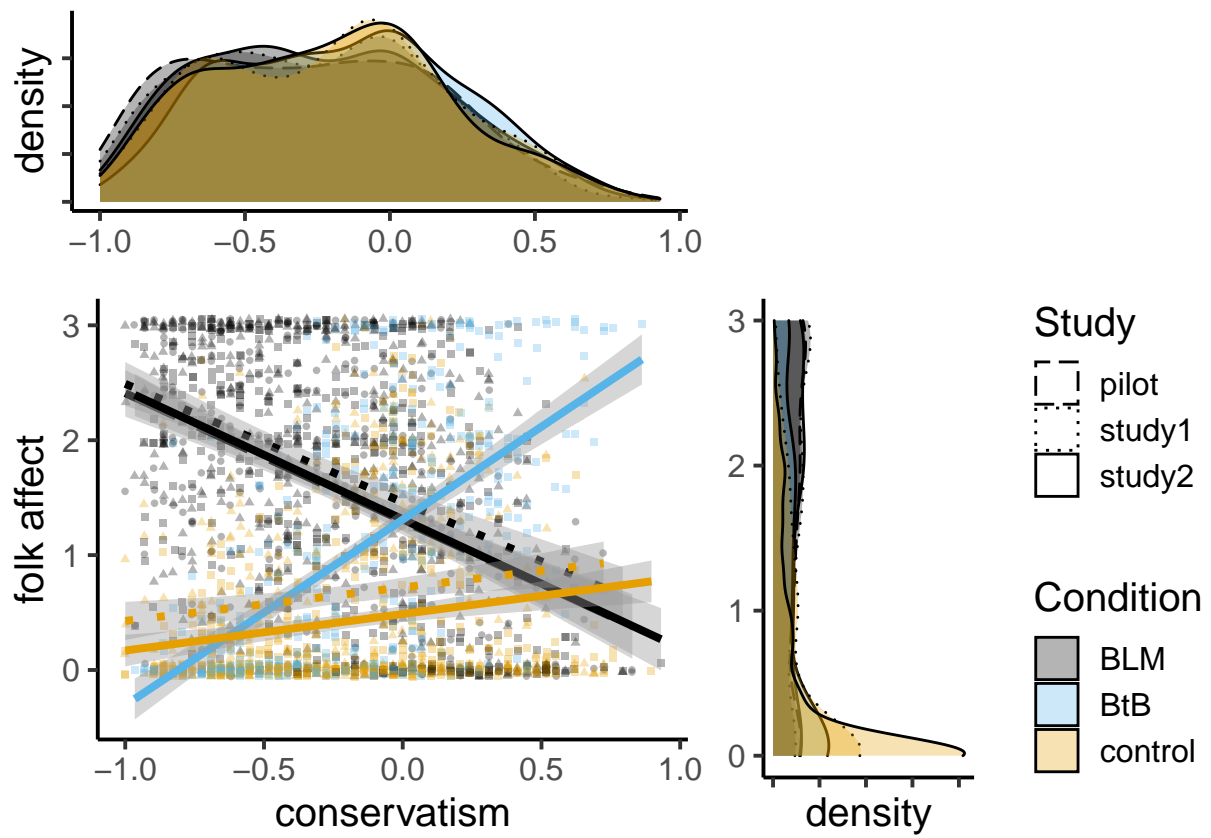

Figure 10: Supplement Figure N. Just like Main Text Figure 2, except using elevation subscales rather than the full elevation scale

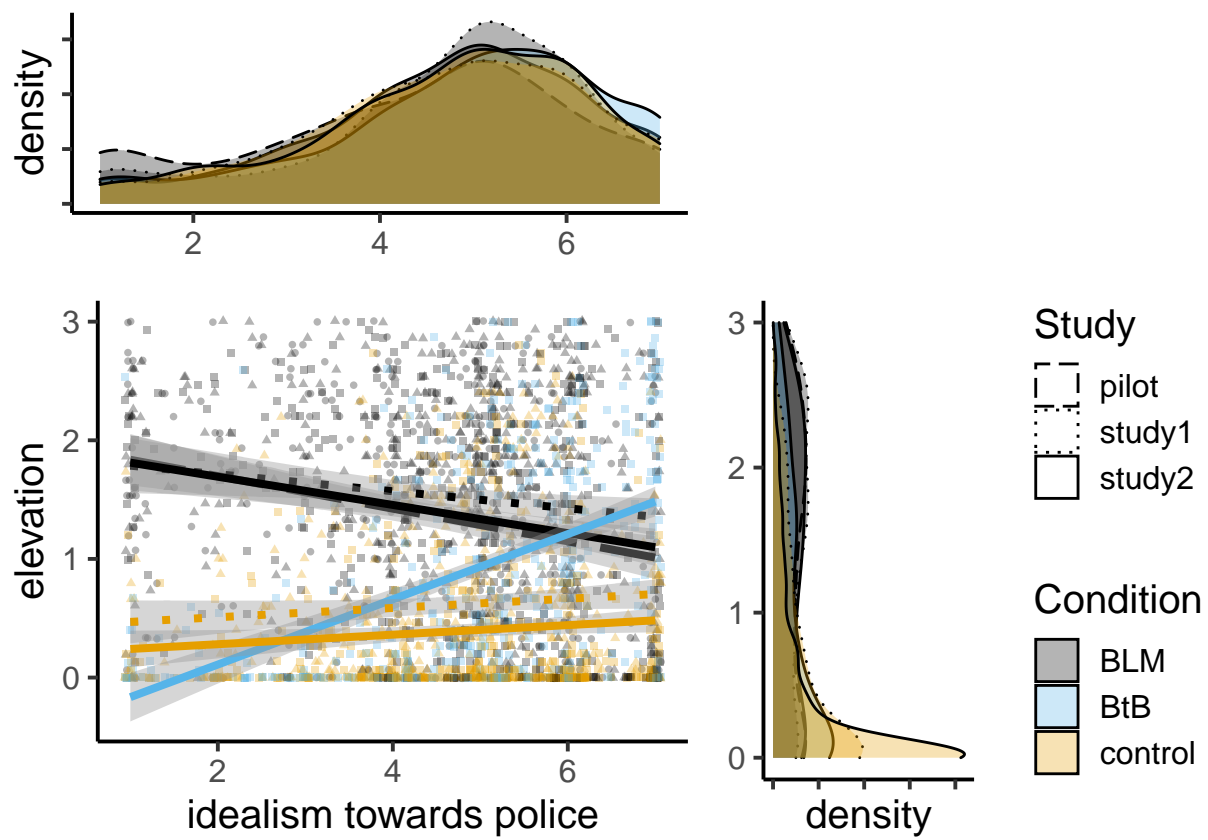

Figure 11: Supplement Figure N. Like Main Text Figure 2, except using Idealism towards Police instead of Conservatism

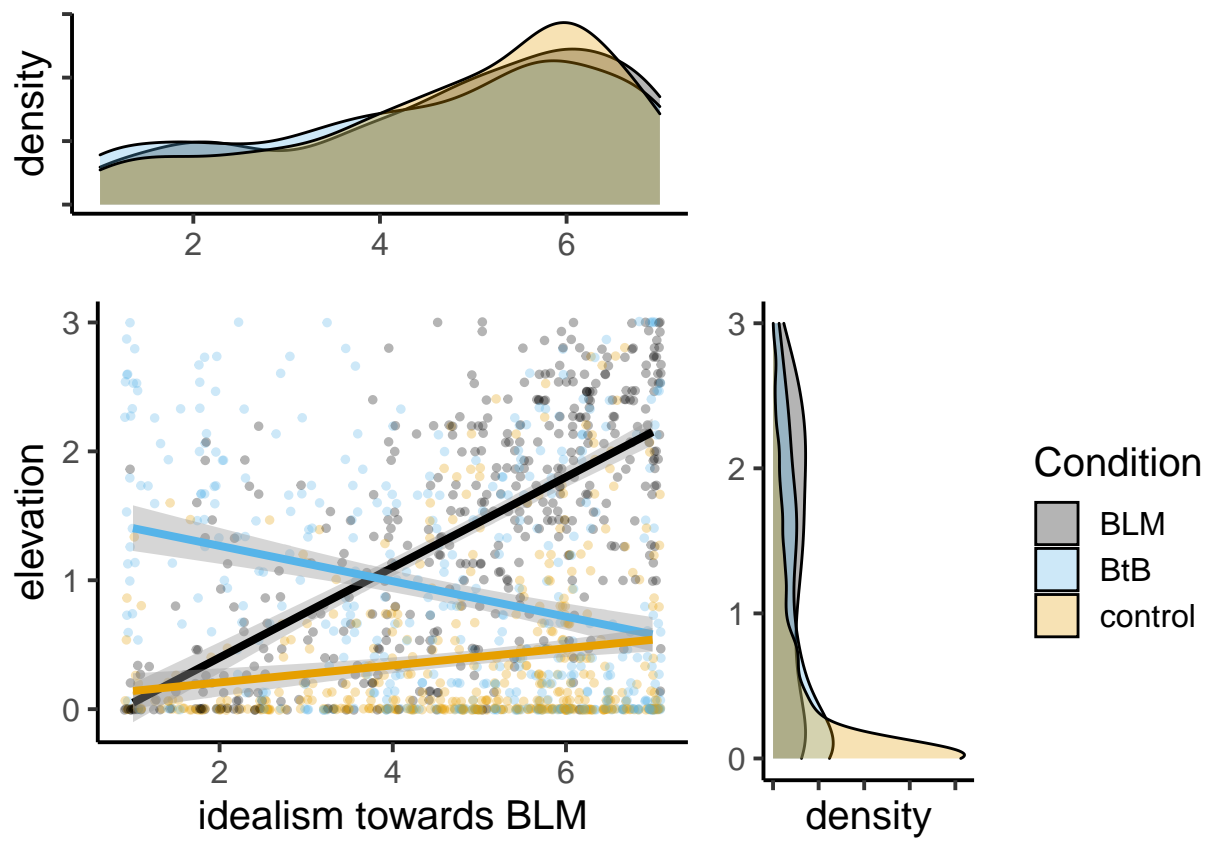

Figure 12: Supplement Figure N. Like Main Text Figure 2, except using Idealism towards BLM instead of Conservatism. Note: study 2 data only
